Season's Greetings,

Warm greetings from GoFishnet Happy Kids Academy.

Through our **Director, Mr. Calvince Aduwo**, and our **Overseer, Mr. Gordon Nyabade**, we take great joy in sharing our heartfelt appreciation to our **Fishnet sponsors in Austria and Germany**, together with all **Friends of the Fishnet Organization**, for the generous Christmas gifts and continued support to the school community.

This festive season is truly going to be special for our learners, staff, and families. The Christmas gifts you provided went beyond material support; they carried *love, dignity, and hope*. Many of our families were facing a difficult festive period with little or nothing to celebrate. Because of your kindness, our *Happy Kids* are now going to smile, share, and experience the joy of Christmas.

Your support also meant a lot to our teachers and staff, who felt valued and encouraged. The atmosphere across the school was filled with gratitude, excitement, and renewed motivation.

We would like to extend **special appreciation to Mr. Till**. His recent visit and time spent with us greatly inspired all staff. His presence strengthened our sense of unity and reminded us that we are not alone and that we always have you. We are truly grateful for his encouragement and commitment and even the productive discussions we had together, not forgetting the *Choma Zone*.

As GoFishnet Happy Kids Academy, we are deeply thankful for your continued support and generosity. **You are truly life changers**, and your support continues to shape brighter futures for our learners and their families from different communities.

As we celebrate this season of giving, we wish you all a **Merry Christmas** and a **prosperous, healthy, and blessed New Year 2026**.

With sincere gratitude,

Wilfred Lai
